# PPCT Defensive Tactics / HFRG Use of Force Instructor Course

**May 18<sup>th</sup> through 21<sup>st</sup> 2021**

**Checks Payable to: Town of Pagosa Springs**

**PO BOX 1859**

**Pagosa Springs, CO. 81147**

### *Course Description:*

The PPCT Pressure Point Control Tactics course was the first subject control system designed based on tactical, legal, and medical research. It was originally developed as a supplement to existing defensive tactics or impact weapon systems. The course focuses on two primary areas: controlling low-level resistance with fingertip touch pressure to nerve pressure points and controlling high-level resistance with defensive counter strikes and the baton, which produce motor dysfunctions and controlled stuns.
